and

Target Audience

This meeting is designed for anesthesiologists and practitioners who specialize in anesthesia education.

About This Meeting

The purpose of this meeting is to educate and share information that will enable anesthesiology practitioners to provide the highest level of education to further develop our field and improve patient outcomes.

CME Accreditation

This activity has been planned and implemented in accordance with the essential Areas and Policies of the Accreditation Council for Continuing Medical Education through the joint sponsorship of the American Society of Anesthesiologists and the Society for Education in Anesthesia. The American Society of Anesthesiologists is accredited by the ACCME to provide continuing medical education for physicians.

The American Society of Anesthesiologists designates this live activity for a maximum of 6.25 *AMA PRA Category 1 Credit(s)*[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Commercial Support Acknowledgement

The CME activity is supported by educational grants. A complete list of supporters will be published in the course syllabus.

Educational Goals

While attending this meeting, the attendee will:

- Discuss the incorporation of quality data into the resident education program.
- Discuss the interaction of communication styles and professionalism.
- Explore avenues for promoting lifelong learning including recertification and MOCA.

Disclosure

The American Society of Anesthesiologists and the Society for Education in Anesthesia adheres to ACCME Essential Areas, Standards, and Policies regarding industry support of continuing medical education. Disclosure of the planning committee and faculty's commercial relationships will be made known at the activity. Speakers are required to openly disclose and limitations of data and/or any discussion of any offlabel, experimental, or investigational uses of drugs or devices in their presentations.

Needs Assessment

Topics for this meeting were selected by various methods. Suggestions for topics were derived from evaluations of the 2010 and other previous Spring and Fall Annual Meetings, the Educational Meetings Committee, Board members, reviews of the published literature with the highest impact on the specialty, and by soliciting suggestions from SEA members actively involved in anesthesia education.

Disclaimer

The information provided at the above CME activities is for continuing medical education purposes only and is not meant to substitute for the independent medical judgement of a physician relative to diagnostic and treatment of a specific patient's medical condition.

Resolutions of Conflicts of Interests

In accordance with the ACCME Standards for commercial support of CME, the American Society of Anesthesiologists and the Society for Education in Anesthesia will implement mechanisms, prior to the planning and implementations of CME activity, to identify and resolve conflicts of interest for all individuals in a position to control content of this CME activity.

Special Needs

The Society for Education in Anesthesia is committed to making its activities accessible to all individuals. If you are in need of an accommodation, please do not hesitate to call and/or submit a description of your needs in writing in order to receive service.

7:00 - 8:15 a.m.
Hyatt McCormick Place-Regency B

Moderator: Scott A. Schartel, D.O.
Temple University School of Medicine
Dresher, PA, USA

The panel will explore various methods to incorporate the electronic delivery of educational content to medical students and residents. The panel will discuss the use of blogs, smart-phones, open-source textbooks, and social media in achieving educational goals.

Objectives:

1. List three methods of integrating electronic technology into resident and medical student teaching.
2. Identify the benefits and limitations of delivery of educational content using smart-phones and other personal digital devices.
3. Compare and contrast the use of open-source content (wikis and blogs) to standard textbook references.
4. Evaluate the use of social media and on-line content delivery in pre-residency orientation and preparation.
