Program Information

Target Audience

This meeting is intended for medical students, residents, and faculty physician educators in anesthesiology and related disciplines who are interested in how technology, economics and legislation impact medical and anesthesia education, as well as how to improve teaching skills and faculty development.

About This Meeting

The purpose of this annual meeting is to educate and share information that will enable anesthesia educators to provide the highest level of education and improve patient outcomes. Opportunities for questions and answers will be provided at the conclusion of each presentation.

Learners will acquire skills to become more effective educators of medical students and resident physicians and to produce graduates who meet the differing expectations of the various education stakeholders.

Registration

Registration for the 2021 Fall Annual Meeting all sessions, workshops and the program syllabus. Note that all fees are quoted in U.S. currency. Member registrants must have 2020 dues paid in order to register for the meeting at no cost. Registration for the meeting can be made either by using the registration form in this brochure or through the SEA's website at www.SEAhq.org.

Non-members will receive a coupon code worth the value of your registration fee to apply towards SEA membership dues should you decide to join in 2022. You will receive an e-mail with your coupon code after registering.

ACCME Accreditation and Designation Statements

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of American Society of Anesthesiologists and the Society for Education in Anesthesia. The American Society of Anesthesiologists is accredited by the ACCME to provide continuing medical education for physicians.

The American Society of Anesthesiologists designates this live activity for a maximum of **5.5 AMA PRA Category 1 Credits™**. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Commercial Support Acknowledgement

The CME activity is not supported by any educational grants.

Disclaimer

The information provided at this activity is for continuing medical education purposes only and is not meant to substitute for the independent medical judgment of a healthcare provider relative to diagnostic and treatment options of a specific patient's medical condition.

Disclosure Policy

The American Society of Anesthesiologists remains strongly committed to providing the best available evidence-based clinical information to participants of this educational activity and requires an open disclosure of any potential conflict of interest identified by our faculty members. It is not the intent of the American Society of Anesthesiologists to eliminate all situations of potential conflict of interest, but rather to enable those who are working with the American Society of Anesthesiologists to recognize situations that may be subject to question by others. All disclosed conflicts of interest are reviewed by the educational activity course director/chair to ensure that such situations are properly evaluated and, if necessary, resolved. The American Society of Anesthesiologists educational standards pertaining to conflict of interest are intended to maintain the professional autonomy of the clinical experts inherent in promoting a balanced presentation of science. Through our review process, all American Society of Anesthesiologists activities are ensured of independent, objective, scientifically balanced presentations of information. Disclosure of any or no relationships will be made available for all educational activities.

Special Needs

The Society for Education in Anesthesia fully complies with the legal requirements of the Americans with Disabilities Act and the rules and regulations thereof. If any attendee in this educational activity is in need of accommodations, please contact the SEA Office at (414) 389-8614.

Cancellation Policy

Cancellations received through October 21, 2021 will receive a full refund. Cancellations received from October 21, 2021 through November 3, 2021 will receive a refund less a \$200 administration fee. Refunds will not be given after November 3, 2021. Cancellation of a meeting registration must be submitted in writing. Refunds will be determined by date written cancellation is received at the SEA office in Milwaukee, WI

Overall Learning Objectives

At the conclusion of this activity, participants should be able to:

- Identify various venues to publish educational scholarship.
- Identify the role of non-physician educators in educational scholarship.
- Recognize qualities of a strong educational research manuscript.
