Curriculum Abstract Grading

Curriculum Details

0-3 Score for each item – scores are not weighted.

Key: 0=N/A, 1=Not Done, 2=Needs Work, 3=Done

*Comments are shared with the author upon acceptance/rejection

Please provide specific, constructive, and respectful feedback

Instructional problem/overall gap Current approach vs. ideal approach Who/what is affected by this? Any data to establish this overall need for new/revised curriculum? Farget audience Needs assessment (Target audience) Performance gap Lack of learner engagement Lack of learner satisfaction Curriculum goals & objectives Content outline Content experts Instructional strategies (Lecture, PBL, simulations, etc.) Evaluation materials (Pre/post assessment of learning, surveys, etc.) Content Delivery (online/face-to-face/hybrid) Outcomes Grade Evaluation materials Pilot testing Study design - research proposal
